IMPORTANT REMINDER FOR AAFP MEMBERS ...

CONFIRM YOUR AAFP ACCOUNT LOGIN BEFORE AUGUST 13, 2020

The AAFP will unveil a new website and mobile app on Aug. 17.

- These upgrades will bring changes to the login process for both the website and app, which is switching to use the email address on file with the AAFP as each member's default username.
- Because each member will need their own username, those with shared email addresses, such as generic practice addresses, will need to update their information by the Aug. 13 deadline.
